Encouragement from God's Word

***“A Change in Priesthood,
A Change in Law”***

Hebrews 7:11-12

“Now if perfection had been attainable through the Levitical priesthood (for under it the people received the law), what further need would there have been for another priest to arise after the order of Melchizedek, rather than one named after the order of Aaron? For when there is a change in the priesthood, there is necessarily a change in the law as well.” (Hebrews 7:11-12)

The Old covenant system was not perfect but served God's perfect purpose. We don't have the same priesthood or the same law anymore. The Old law and system was good and righteous, but it did not fulfill our deepest needs. Praise be to God that we live under a better covenant with a better priest who meets our deepest needs as our perfect advocate.

Welcome To Rossville!!

Your presence has helped to make this a very special day.
It is our prayer, that you will be uplifted and encouraged as you come to worship with us.
