Encouragement from God's Word

"Learning to Be Teachers"

Hebrews 5:12-13

"For though by this time you ought to be teachers, you need someone to teach you again the basic principles of the oracles of God. You need milk, not solid food, ¹³for everyone who lives on milk is unskilled in the word of righteousness, since he is a child." (Hebrews 5:12-13)

Are we able to teach others about Jesus? Are we ready at any time to share with others the truths about what is most important to us? For the Hebrews' writer, one of the most concerning signs of spiritual immaturity is when disciples are not growing and working toward being able to teach. Not everyone will stand in the pulpit or in a Sunday school class and that is okay, but every disciple has a responsibility to teach in some way. If we are not able to do so or not working to that end, perhaps we have some maturing to do. Let us take steps to move from milk to solid food and fulfill the purpose that the Lord has for each one of us.
