Encouragement from God's Word ***"Consider Him Faithful*** ***Hebrews 11:11***

"By faith Sarah herself received power to conceive, even when she was past the age, since she considered him faithful who had promised." (Hebrews 11:11)

By human means and logical calculations, Sarah should not have been able to have a child. But our God can do the impossible. When God has made a promise, we must consider him faithful even when all the other considerations and observations we make point to the opposite conclusion. God always keeps his promises, and if we consider him faithful, we will receive power to live in the blessings and fruit of those precious promises.

Welcome To Rossville!!

Your presence has helped to make this a very special day.
 It is our prayer that you will be uplifted and encouraged as you come to worship with us.
