### **Encouragement from God's Word** *"Faith Heeds the Warning"* **Hebrews 11:7**

*"By faith Noah, being warned by God concerning events as yet unseen, in reverent fear constructed an ark for the saving of his household. By this he condemned the world and became an heir of the righteousness that comes by faith." (Hebrews 11:7)*

Faith is not a vague, disinterested belief or intellectual assent to truth. A living, active faith believes God about all areas and situations of life. As we see in Noah's example, faith heeds the warnings of God and acts in accordance with the reality of judgment. Faith takes God at his Word and runs into his arms as refuge. God warns us today about coming judgment and, like Noah, God offers a way of escape. Will our faith heed the warning?

**Welcome To Rossville!!**

Your presence has helped to make this a very special day.

It is our prayer that you will be uplifted and encouraged as you come to worship with us.
