The renovations at the church building are finally complete, and the place is hardly recognizable from the state it was in prior. It is a great blessing to have our own building back for worship. We have been able to recommence our bible classes, and will shortly be starting our midweek studies again.

I have been blessed recently with a few opportunities to engage in studies with some individuals who have previously fallen away from the church. Including some family members of current members of the congregation. We have been using these opportunities to find out why so many have fallen away from this congregation, and also try to repair some of the hurt that may have been caused in the past. While there are still many contacts to reach out to, we have been very impressed with how receptive many of these people have been to having a conversation about their faith. While we do hope to repair some damaged relationships through this, our primary endeavor is to help restore these people to Christ.

I sincerely hope that all the exciting work that is being done in Adelaide will serve as an encouragement to you. We are certainly being uplifted by much of what we are seeing around us.

More detailed information of this work is on the Missions Board.

Encouragement from God's Word

“Rejecting His Goodness”

Hebrews 6:4-6

“It is impossible for those who have once been enlightened, who have tasted the heavenly gift, who have shared in the Holy Spirit, who have tasted the goodness of the word of God and the powers of the coming age and who have fallen away, to be brought back to repentance. To their loss they are crucifying the Son of God all over again and subjecting him to public disgrace.” (Hebrews 6:4-6)

What more could we want? Is there any goodness greater than Jesus Christ? Is there any sweeter taste than the sharing of the Holy Spirit and His Word? The Hebrews writer reminds us of the deep offense of rejecting Christ after we have come to know Him. If someone sees that greatness and experiences it and knows that beauty and yet still is determined to reject God, what more can be done? How could they be brought back to Christ? This kind of deliberate rejection of Jesus is likened to putting him back up on the cross, saying effectively that he is worthless. Does our response to Jesus put him to public disgrace or does it magnify His great worth and beauty? Do our lives reflect an intentional rejection of his life and way or show its infinite value? Let us not be tempted to turn from our Savior Jesus. If we do, we are losing the most precious treasure in the universe.

Welcome To Rossville!!

Your presence has helped to make this a very special day.

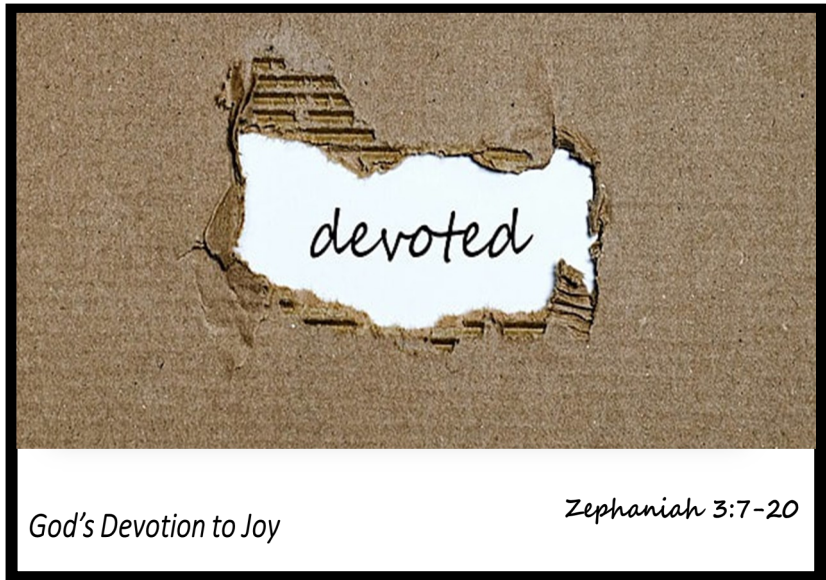

It is our prayer, that you will be uplifted and encouraged as you come to worship with us.
