Encouragement from God's Word

"Faith Works"
Hebrews 11:2

"For by it the people of old received their commendation." (Hebrews 11:2)

Faith is not outdated. It is not a naïve coping mechanism from a primitive past that is no longer relevant. Faith was vital for the people of old. Generations of ancients from the time of Scripture all the way forward have pleased God through faith and through obedience. We need no spectacular or clever schemes to receive commendation from God. All we need is humble, obedient faith. We need not be particularly talented, educated, or wealthy. As he always has, God is looking for a faith that trusts and obeys!

Welcome To Rossville!!

Your presence has helped to make this a very special day.
It is our prayer that you will be uplifted and encouraged as you come to worship with us.
